DELINEATION

- Deed and Map Research
- Research on Interred People and Landowners (with a Visit to Archival Sources, where applicable)
- Detailed Marker Map
- State Site Form(s)
- Cemetery Boundary and Recommended Avoidance Buffer
- Letter Report Outlining Findings and Recommendations

Reconnaissance is a cost effective way to obtain a professional assessment of a cemetery. This work is quick and provides basic information and documentation appropriate for landowners, descendents, and developers. It includes the basic information needed to understand the site and plan for next steps.
