

HABS/HAER/HALS DOCUMENTATION

NSA's staff includes historians, architectural historians, and photographers with experience in HABS/HAER/HALS projects throughout the nation.

- HABS (Historic American Buildings Survey)
- HAER (Historic American Engineering Record)
- HALS (Historic American Landscape Survey)

HABS/HAER/HALS documentation includes drawings, photography, and written narratives. The final work is sent to the Library of Congress collection, the National Park Service, and state and local archives.
